The Higher Desires Drop “Generation Me (Radio Edit)” — A Fierce Metal-Hip-Hop Anthem for Independent Minds

Seattle, Washington — Release Date: 11/14/2025

Indie rock project The Higher Desires returns with “*Generation Me (Radio Edit)*”, a high-energy fusion of modern rock grit and hip-hop cadence. Written, performed, produced, mixed, and mastered by William Walbaum, this track delivers a fearless statement on independence, media manipulation, and the power of critical thinking in a divided world.

Built on pounding toms, heavy guitars, and 808-driven grooves, “*Generation Me (Radio Edit)*” brings sharp lyrical fire with a message that cuts across all lines: stop following the noise, think for yourself, and rise above the chaos.

“It’s not about left or right — it’s about truth over noise. Generation Me is for the people who are tired of being told what to think and ready to stand for what is real.” — William Walbaum
