Featured Tracks

- Unknown Soldiers (Veterans Edition) (*CLEAN — radio edit available*)
"They're the unknown soldiers, all the heroes..." — a raw, urgent indie rock tribute to veterans. Over 90% of royalties are pledged to mental health and family support charities for those who served; the remainder helps promote the song's mission (often 100% donated when possible).
- The Children (*CLEAN*)
Acoustic-driven peace anthem urging humanity to build on unity and hope rather than war and hate.
- I Know Right (*CLEAN*)
Alt-rock / alt-hip-hop hybrid about resilience and mental battles. Already catching SPIN Magazine's attention.
- Generation Me (*EXPLICIT — clean radio edit available soon*)
A sharp look at generational struggle and self-awareness.
